**RELIABLE HEALTH CHECK UP**  
 With Us At  
**AFFORDABLE RATES** ✓

At Veritas Pathology, we offer a comprehensive range of pathology services designed to meet all your diagnostic needs. From routine tests to specialized diagnostics, our state-of-the-art laboratory uses the latest technology to deliver precise, accurate, and timely results.

The laboratory is led by \*Dr. Yukti Shah Chokshi, M.D. Pathology\*, who completed her M.D. from the prestigious V.S. Hospital in Ahmedabad, where she topped her college. Dr. Chokshi has also worked at renowned institutions such as HCG Cancer Hospitals Ahmedabad and Thyrocare Laboratories. Her enthusiasm and passion for patient care drive the laboratory's commitment to excellence in every test.

We understand the importance of convenience, which is why we also provide a home collection service. Our trained professionals will visit your location at a time that works for you, ensuring that your health needs are met with ease and comfort.

With a team of experienced professionals and a commitment to the highest standards of quality, Veritas Pathology is here to support your healthcare providers and ensure the best possible outcomes for your health. Whether you're visiting our lab or opting for home collection, you can rely on us for professionalism, integrity, and exceptional care.

Thank you for choosing Veritas Pathology Laboratory—your trusted partner in health.
